ProPlan Individual Fixed-Price Agreement

Dear _____,

In order to document the understanding between us as to the scope of the work that Ingenious CFO will perform, we are entering into this Fixed Price Agreement with you. To avoid any misunderstandings, this Agreement defines the services we will perform for you as well as your responsibilities under this Agreement. This Agreement is an addendum to our Engagement letter.

Professional Services

We will provide the following services for you during the introductory subscription period to :

- Up to 2 hours of audit or tax authority correspondence support
- 1 tax planning meeting (up to one hour)
- 2 paycheck withholding calculation reviews
- Preparation of individual federal and California state income tax returns. See Forms Addendum for a list of included tax forms and schedules.
Amended tax return preparation coverage for the above returns, if necessary
- Unlimited email and telephone support to discuss tax matters including life events and changes, and any other topic at your discretion.

Because our ProPlan Individual Fixed-Price Agreement provides ongoing access to the tax advice you need on a fixed-price basis, you are not inhibited from seeking timely advice by the fear of a meter running endlessly. Our program is built around one-price pricing, as opposed to hourly rates, and offers you access to the accumulated wisdom of the firm through professionals with substantial experience, who can help enhance your financial future and achieve your goals.

While the fixed price entitles you to unlimited consultation with us, if your questions or issues require additional research or analysis beyond the consultation, that work may be subject to an additional price negotiation before the service is to be performed, utilizing a Change Order.

Resource Requirements

The ultimate success of any tax planning and withholding calculation review will hinge upon your involvement and participation. You may be asked to provide information and documentation to assist us.
