Group Bio

With a collaborated 60 years of industry experience in managing wealth, our team has specialized in assisting our clients with insurance and financial security needs. In 2017 we accumulated over \$90m in assets under management serving Physicians, Dentists, and other professionals and groups in the medical field. We bring a “Total 360 Degrees” of financial planning support to our clients, from personal to business planning needs. In addition, we provide exclusive physician and dentist discounts to “The SoCal Persian American Medical Association” as well as many FREE services to our clients to ensure that they are in-compliance while bringing a very impressive set of value added services, unlike anyone else in the community or industry.

In addition, we will hold a drawing & 5 people will each get a copy of the book titled:
“What They Don’t Teach You in Medical and Dental School”
Authors: Ata Walizadeh PhD and Farid Mokhtarian
