**Drug Facts (continued)**

**Ask your doctor or pharmacist before use if you are taking the blood thinning drug warfarin**

**Stop use and ask a doctor if:**

- pain gets worse or lasts more than 10 days
- fever gets worse or lasts more than 3 days
- new symptoms occur
- redness or swelling is present

These could be signs of a serious condition.

**If pregnant or breast-feeding, ask a health professional before use. Keep out of reach of children. Overdose warning:** Taking more than recommended dose (overdose) may cause liver damage. In case of overdose, get medical help or contact a Poison Control Center (1-800-222-1222) right away. Quick medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

**Directions**

- do not take more than directed (see overdose warning)
- **adults and children 12 years of age and over:** take 2 caplets every 6 hours while symptoms last
- do not take more than 6 caplets in 24 hours unless directed by a doctor
- do not use for more than 10 days unless directed by a doctor
- children under 12 years of age: do not use this extra strength product. This will provide more than recommended dose (overdose) and could cause serious health problems.

**Drug Facts**

**Active ingredient (in each caplet)**

Acetaminophen 500mg.....Pain reliever/Fever reducer

**Uses**

- temporarily relieves minor aches and pains due to:
  - headache
  - muscular aches
  - backache
  - minor pain of arthritis
  - the common cold
  - toothache
  - temporarily reduces fever
  - premenstrual and menstrual cramps

**Warnings**

**Liver Warning:** This product contains acetaminophen. The maximum daily dose of this product is 6 caplets (3000 mg) in 24 hours. Severe liver damage may occur if you take more than 4000 mg of acetaminophen in 24 hours with other drugs containing acetaminophen 3 or more alcoholic drinks everyday while using this product

**Allergy alert:** Acetaminophen may cause severe skin reactions. Symptoms may include:

- skin reddening
- blisters
- rash. If skin reaction occurs, stop use and seek medical help right away.

**Do not use**

- with any other drug containing acetaminophen (prescription or not prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.
- if you are allergic to acetaminophen or any of the inactive ingredients in this product

**Ask a doctor before use if you have liver disease**

**Compare to EXTRA STRENGTH Tylenol® active ingredients\***
