URAC ACCREDITED Specialty Pharmacy

On behalf of your patient named below, we are requesting your completion of this Statement of Certifying Physician so that we (the DMEPOS Supplier) may provide them with therapeutic shoes and inserts. In order to qualify for Medicare reimbursement, your certification that they meet the conditions listed below is required. Per Medicare guidelines (excerpt bolded below from Cigna Government Services), in the event of an audit for this particular patient's claim for therapeutic shoes and inserts:

It is important to note that even though you may complete and sign a form attesting that all of the coverage requirements have been met, there also must be documentation in your records to indicate that you are managing the patient's diabetes and that one of the conditions listed below is present. When requested by the supplier, you must provide copies of those records. If you would not be able to meet such a request, please contact us prior to completing this form. We greatly appreciate your assistance in providing for this patient!
